LAB-ENG-4

Robert E. McKee
General Contractor
Los Alamos, N. M.

Attention: N. J. Riebs

Reference: Lab Job 174, Underground
Chapter No. 2, TA-33

Gentlemen:

1. The Robberson Steel Company shop drawing (sheet 1, Contract 48-599) covering the details of the door and door frame for the subject job is approved as received. We are retaining the three prints for our files.
2. Sheet 2, Contract 48-599 has been corrected and two prints are returned herewith. Please forward us three prints after the Robberson people have made the necessary corrections.

Very truly yours,

R. C. Hill
