RE: TA-35 TSL 85 Closure Plan Submittal Schedule

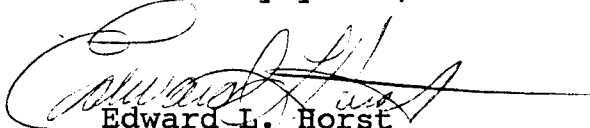

Dear Mr. Twombly:

On December 12, 1991, the Hazardous and Radioactive Materials Bureau (HRMB) received your request for an extension for submitting the TA-35 TSL 85 Surface Impoundment Closure Report and Certification. Your requested date for this submittal is December 20, 1991.

Your request for an extension until December 20, 1991 is approved. In the future if circumstances delay closure plan submittal dates, we would appreciate receiving the written request on the document's due date.

Please contact Marc Sides of my staff at (505) 827-4300 if you have any questions.

Sincerely yours,

Edward L. Horst
Program Manager
