**RE: Extension of Research, Development and Demonstration Permit
Application Submission Period for the Hydrothermal Processing
Unit**

Dear Mr. Bellows:

The New Mexico Environment Department (NMED), Hazardous and Radioactive Materials Bureau is in receipt of your request for a sixteen (16) day extension of the Research, Development, and Demonstration Permit Application submission period. The extension of sixteen (16) days is hereby granted. The information requested in our April 5, 1993 Notice of Deficiency must be submitted by June 23, 1993 and must be sufficient for NMED to acknowledge administrative completeness and proceed with our technical review. The information must be incorporated into a stand-alone Part B Application.

Please contact Mr. Carl Stubbs, of my Staff at (505) 827-4308 if you have any questions.

Sincerely,

Barbara Hoditschek
