**SUBJECT: TECHNICAL AREA (TA) 35 TSL-85 SURFACE IMPOUNDMENT:
REQUEST FOR SUBMITTAL DEADLINE EXTENSION**

Dear Barbara:

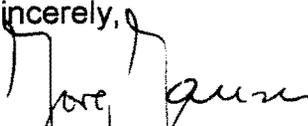

This is a request to extend the submittal deadline for comments addressing your letter dated September 20, 1995, concerning the TA-35 TSL-85 Surface Impoundment Amended Closure Plan. The Environmental Restoration Program within the Department of Energy Los Alamos Area Office received your letter on October 2, 1995. We are requesting an extension of up to two weeks additional time, increasing the deadline from October 13, 1995 to October 28, 1995.

We are currently addressing the issues raised in your letter and are anxious to begin field work as soon as possible. We are requesting a meeting with your staff in order to clarify and resolve some of the issues and coordinate an acceptable response that will expedite field activities at TA-35.

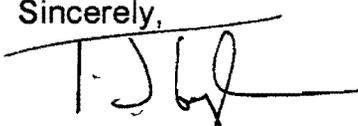

Should you have any questions concerning this request please call Dave McInroy at 505-667-0819 or Joe Mose at 505-667-5808 of our staff.

Sincerely,

Jorg Jansen, Program Manager
Environmental Restoration

Sincerely,

Theodore J. Taylor, Program Manager
Los Alamos Area Office
