LARS F. SOHOLT

Dear Mr. Todd:

The New Mexico Environment Department (NMED) Hazardous and Radioactive Materials Bureau (HRMB) is in receipt of DOE/LANL's request for an extension for submittal of the Resource Conservation and Recovery Act Facility Investigation Report (RFI Report) for Technical Area 35 (TA-35) that was due on June 6, 1996. is to be covered in this report.

NMED is concerned about the timeliness of this request, in that the extension request was written six (6) days after the original due date of the RFI Report. Therefore, DOE/LANL is not in compliance with their submittal schedule. Also DOE/LANL failed to submit a revised schedule with their request. NMED does not grant open ended extensions.

Should you or your staff have any questions concerning this extension approval please contact myself or Robert S. (Stu) Dinwiddie of my staff at the above address or by telephone at (505) 827-1561.

Sincerely,

*Barbara Hoditschek*
