 P.O. Box 26110
 Santa Fe, NM 87502

**SUBJECT: REQUEST FOR EXTENSION FOR SUBMITTAL OF
 NEW/REVISED RFI REPORT FOR PRSs 36-001, 36-004(d),
 AND 36-006 AT TA-36**

Dear Mr. Garcia:

The Los Alamos National Laboratory (LANL) Environmental Restoration Project is requesting an extension to your request to provide a revised RCRA Facility Investigation Report for Technical Area (TA-36), Potential Release Sites (PRSs) 36-001, 36-004(d) and 36-006. John Kieling of your office and Dave McInroy (LANL) have discussed this request and believe a Phase II Sampling Plan can be written to address the deficiencies outlined in your October 16, 1997 letter. Pending budget and PRS prioritization concerns, we hope to submit the Phase II Sampling Plan by September 30, 1998.

If you have any questions, please call Gene Gould at (505) 667-0402 or Mike Gilgosch at (505) 667-5794.

Sincerely,

Julie A. Canepa, Program Manager
 LANL/ER Project

Sincerely,

Theodore J. Taylor, Program Manager
