Re: Request for Modification to Work Plan and Extension Request  
for RFI Report for Technical Area 39 (OU 1132)  
Los Alamos National Laboratory NM0890010515

Dear Mr. Taylor:

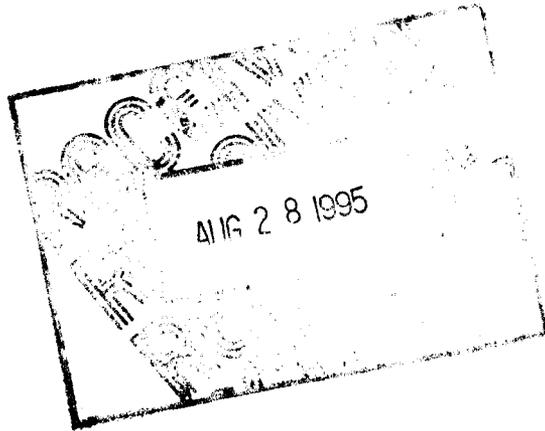

The Environmental Protection Agency (EPA) has reviewed and approves your request for modification of the sampling plans for solid waste management units (SWMUs) 39-001(a and b). EPA also grants your request for an extension on the RCRA Facility Investigation (RFI) report from November 1, 1995, to June 6, 1996, for above mentioned SWMUs. This extension will allow for additional investigations and submittal of an RFI report with remediation proposals for these sites.

Should you have any questions, please feel free to contact Ms. Barbara Driscoll at (214) 665-7441.

Sincerely,

David W. Neleigh
