

**Subject: FW: TA 48, NMED phone call****Date:** Tue, 17 Sep 2002 11:20:40 -0600**From:** "Gregory, David R." <dgregory@doeal.gov>**To:** "'lee\_winn@nmenv.state.nm.us'" <lee\_winn@nmenv.state.nm.us>**CC:** "'john\_joung@nmenv.state.nm.us'" <john\_joung@nmenv.state.nm.us>

Ms. Winn:

The status update I discussed with you on Sept. 3, was faxed to 8271544 on Thursday, Sept 12. both you and John Young are on the distribution list. If you have not received a copy let me know and I can forward an electronic file.

Thanks  
David

>  
> I spoke with Ms. Winn, author of the Sept 3, 2002 letter re: TA 48. I let  
> her know that NMED's concerns were high on our priority list but our  
> immediate focus was on health and safety related to contaminated soils at  
> the site. I spoke of our pending email that provides status report/fact  
> sheet to Surface Water Bureau with HWB cced.  
> The primary concern in Ms. Winn's letter centers on the question of SWMU  
> v. operational release. The onus is on us and the email response prepared  
> by RRES addresses our current thinking on that issue.  
> Expect a call from her/HWB once she digests the email. I believe our path  
> forward is sound.
