**RE: FEE ASSESSMENT FOR VOLUNTARY CORRECTIVE ACTION (VCA)
COMPLETION REPORT FOR 48-012 AT TECHNICAL AREA 48
LOS ALAMOS NATIONAL LABORATORY NM0890010515
HWB-LANL-03-008**

Dear Messrs. Nanos and Gregory:

The New Mexico Environment Department (NMED) has received Los Alamos National Laboratory's "Submittal Of Voluntary Corrective Action (VCA) Completion Report For Area Of Concern (AOC) 48-012 At Technical Area (TA) 48 Los Alamos National Laboratory (LANL)" dated May 16, 2003 and referenced by ER2003-0354.

Contrary to the AOC designation in the title, NMED in a letter to the Los Alamos National Laboratory/Department of Energy (Permittees) dated December 18, 2002, determined the site a newly identified solid waste management unit (SWMU).

This corrective action document addresses one solid waste management unit. NMED has accepted the document for review. The fee assessment invoice will be sent to you under separate cover. Upon receipt of the fee, NMED staff will initiate the review of the document in accordance with the timeline established in 20 NMAC 4.2.201.7. If fees are transmitted electronically, you must submit a letter to Cindy Abeyta, Hazardous Waste Bureau, indicating the invoice number, payment amount, date of payment and the assessed activity.

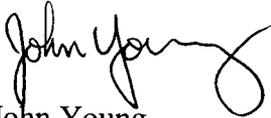

2695

Messrs. Nanos and Gregory
