RE: Request for Data and Associated Information Pertaining
to Intrusive Activities and Penetrations at OU 1144

Dear Mrs. Koch

NMED AIP personnel requests all existing data and information related to subsurface penetration (greater than 20 feet) activities at OU 1144. Requested information would include such items as maps that illustrate penetration locations, well logs, petrophysical data, analytical chemistry data, moisture content, etc. If you have any questions or comments concerning this matter please contact me at 672-0449.

Sincerely,

Michael R. Dale
