Comments *Attached notes made from reviewing the old logbooks retrieved from Document Storage & now in safe in the 1201*

Still hope to review old "D" R. R. & "M" R. R. Section weekly, Monthly, & Annual Reports, as I'm sure there's info concerning Disrupt operations in these reports.

8243

①

LA #2587 - 1st log 11/24/48, last 4/28/50

Remarks: No mention of which dump was in use, nor volume of waste delivered. It is possible an estimate of volume can be made as usually 2 trips (truckloads) per day were delivered.

LA #1743 - 1st log - 1/6/47, last log 11/27/48

Remarks: On page #120, at top of page is statement that first delivery to Pit #1, Area C, was made on June 10, 1948.

LA #3478 - 1st log 4/29/50 - last log 9/28/51

Reference post numbers used for first time on 7/19/51, page 130.

LA #4644 - 1st log 10/1/51, last log 4/27/53

LA #6030 - 1st log on 4/28/53 - last on ~~10/1/54~~ 2/6/55
