

S. E. Russo, Group Leader, ENG-3

DATE: August 17, 1962

FROM: Dean D. Meyer, Group Leader, H-1

SUBJECT: WASTE DISPOSAL WELLS - AREA C

SYMBOL: H-1

It appears that the ten waste disposal wells requested in Area C will not provide adequate space for disposal. Please locate ten more wells in this area. On July 18, 1962, I requested ENG-4 to drill holes starting with stake 56 and continuing through stake 65. The ten wells will be in addition to these, making a total of twenty disposal wells.
