

OFFICE MEMORANDUM

TO : Homer Milford, Eng-4  
Through : Dean Meyer, Group Leader, H-1  
FROM : John Enders, H-1  
SUBJECT: Identification stakes for Disposal Wells  
SYMBOL :

DATE: 10/3/62

Would you please write a work order for the following?

1. Furnish thirty two(32) metal stakes similar to those now used for identification stakes in Area C.
2. Furnish thirty two(32) metal signs of a size similar to those now in use in Area C with numbers "56---through "87" painted on them.
3. Attach(permanently) the numbered signs to the metal stakes.
4. Metal stakes to be driven into the ground at locations near disposal wells as per directions from Enders.

These additional identification stakes are required for 12 used disposal wells(#56 through #67) and for the new disposal wells recently dug(#68 though #87).
