

OFFICE MEMORANDUM

TO : C. A. Reynolds, Group Leader, ENG-4

FROM : Dean D. Meyer, Group Leader, H-1

SUBJECT: ADDITIONAL DISPOSAL WELLS IN AREA C

SYMBOL : H-1

DATE: September 5, 1963

Please ³drill ¹⁰~~14~~ disposal wells in Area C. These wells are to be ~~2~~ feet in diameter and 25 feet in depth.

Also please drill an additional ¹⁰6 disposal wells in Area C. These wells are to be 3 feet in diameter and 25 feet in depth. In these six wells please insert a 12 inch diameter metal liner and fill the outer space with grade B concrete to give a 12 inch wall thickness. The bottom of the hole is to be 12 inches of concrete.

Please contact ENG-3 for the location of the wells. If a different size combination would reduce the cost of construction, I would be interested in discussing another proposal.
