TO : C. A. Reynolds, Eng-4
Through : Dean Meyer, Group Leader, H-1
FROM : John Enders, H-1
SUBJECT: Request for work order
SYMBOL :

DATE: 8/24/65

Would you please write a work order to have the following work done:?

- 0678
7A-50
- I. Pump water out of 12" diameter, cement lined disposal wells at Area C.
 - II. Provide labor to mound dirt dikes around disposal wells so as to prevent future water drainage into disposal wells, in Area C.
 - III. Provide ready-mix cement to backfill four or five disposal wells in Area C.

Note: The disposal wells requiring backfilling are filled with material which must not be immersed in water.
