Through: Dean Meyer, Group Leader, H-1  
FROM : John Enders, H-1  
SUBJECT: Request for work order  
SYMBOL :

DATE: 10/3/66

On 6/29/66, I requested a work order to have the following work performed which to date, has not yet been done:

- I. Provide labor to move three metal disposal well covers from Area C to Area G. Covers to be placed on new disposal wells #1, 2 and 3.
- II. Provide labor to drive metal stakes into the ground between Pit #4 and Pit #5, Area G. Stakes to be used as cross-reference marker posts for these pits.

In addition to the above work it is requested that a work order be issued to provide labor and material to construct metal disposal well covers as per attached sketch. These covers are to be used on the new 12" diameter, cement lined disposal wells in Area C. 10 covers are needed.
