

OFFICE MEMORANDUM

TO : Mr. Daggett, Eng-4
Through: Dean Meyer, Group Leader, H-1
FROM : John Enders, H-1
SUBJECT: Request for work order
SYMBOL :

DATE: 4/5/67

TA-50
Would you please write a work order to have the following work performed?

1. Furnish labor and materials to backfill several disposal shafts.
Estimated amount of grade C Ready-Mix required ---1.5 yd.³
2. Disposal shafts to be backfilled to ground level and cement mounded above shafts to promote water drainage away from shafts.
3. In Area C: shafts #93, 96, 97, 100, 102 and 103.
In Area G: shaft #1.

NOTE: Please call the H-1 Section office at the CMR Bld. at least one hour in advance of planned entry to Areas as a Health Physics Surveyor will have to unlock the access gates(phone #7-4093 or 7-4482).
