Dear Mr. Houston:

Please announce over the radio at least once between 7:30AM and 6:00PM, Monday through Friday, between May 15th and July 7th, the following public service announcement:

The Environmental Improvement Division in Santa Fe and the Environmental Protection Agency are considering issuing a hazardous waste storage, treatment and incineration permit to the Los Alamos National Laboratory, Los Alamos, New Mexico, and is inviting the public to review the documents and submit comments on the draft permit. The permit will govern the waste analysis, management practices and emergency response actions of the laboratory in compliance with state and federal regulations. The permits and supporting information are available at the EID Santa Fe South Capitol Complex office, the Espanola public library and the Dallas EPA Region VI library. Comments will be accepted until July 7, 1989.

Please submit a certificate of date and time of announcement, and any bill for charges, to:

Mr. C. Kelley Crossman  
Hazardous Waste Bureau, EID  
1190 St. Francis Drive/ Harold Runnels Bldg.  
Santa Fe, New Mexico 87503

Thank you.

Sincerely,

*C. Kelley Crossman*
