1190 St. Francis Dr.
Santa Fe, NM 87503

RE: **NM0890010515**
Los Alamos National Laboratory

Dear Mr. Clayton:

The Hazardous Waste Bureau has prepared a draft hazardous waste incinerator permit for LANL. Enclosed are the pertinent portions which may be of concern to your bureau. The entire document is available in the EID library and the Hazardous Waste Section.

Please provide any comments you may have by July 7, 1989, so that they may be incorporated in the final document as appropriate.

Sincerely,

Boyd Hamilton
