**RE: Public Hearing on LANL  
NM 890010515**

Dear Mr. Henry:

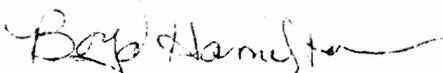

I wish to confirm with you the arrangements discussed with Pat on May 19, 1989 for a recorder for a public hearing. The hearing will begin at 9 a.m. on June 13 in the Apodaca auditorium of the P.E.R.A. building in Santa Fe. We anticipate the hearing will be continued into June 14 at the public's request. At this time we believe the hearing will not continue past 5 p.m. but your recorder should be prepared for the possibility of staying later.

The enclosed materials provide some background for your information. The billing code will be "580389:LANL Permit". Bills for your service and the transcript should be sent to:

Ms. Anna Walker  
EID Hazardous Waste Program  
1190 St. Francis Dr.  
Santa Fe, NM 87503

If you have any questions please call Mr. C. Kelley Crossman on my staff at 827-2923.

Sincerely,

  
Boyd Hamilton  
Program Manager  
Hazardous Waste Program
