MEMORANDUM

5/31/89  
OK by Rm if Gms Nelson concurs.

TO: Richard Mitzelfelt, Director  
THROUGH: Dr. Kirkland Jones, Deputy Director  
FROM: C. Kelley Crossman, Hazardous Waste Program *CKC*  
SUBJECT: Rescheduling LANL Permit Hearing  
DATE: May 31, 1989

5/31/89  
OK by Gms Nelson  
*Gms Nelson*

I have considered the impact on the LANL permit schedule of rescheduling the permit hearing from June 13-14 to July 18-19, 1989. This was requested by several callers because I had inadvertently scheduled the same week as the WIPP hearings. While the permit and WIPP are separate issues and do not really conflict, the callers felt that we had not provided adequate time to prepare for both hearings. If a decision is made by June 2, 1989, the impact on the overall schedule will be minimal. Therefore I recommend that we reschedule in order to accomodate the public and the WIPP hearings.
