

Karen Mc Intosh
2 Monte Alamo Way
Santa Fe, N.M. 87505

Dear Mr. Mit Zeffelt,

I am very concerned about the issue of Los Alamos National Laboratories in incinerating hazardous waste.

I demand that the EID issue an emergency order to prevent the burning of radioactive waste until the State of New Mexico can adopt standards in a public forum to regulate it. Any future hearing must include both the hazardous waste and radioactive permits.

Thank you for your kind attention.
Sincerely,

Karen S. McIntosh
