Kelley Grossman, Supervisor
1190 St. Francis Drive
Santa Fe, N.M. 87503

Goodday,

Thank you for sending me the June 10th
information incinerator literature. Surely
more information is available now.

Why just hazardous waste? What
about the radioactive waste.

Incineration doesn't destroy the
waste.

I would like a page^(s) of the
amended 1989 act allowing the
~~per~~ permit to issue.

Thank you.

Sincerely,
Emmy Koponen
