

I DEMAND THAT THE EID ISSUE AN EMERGENCY
ORDER (BY AUTHORITY OF THE N.M. AIR QUALITY
CONTROL ACT, SECTION 74.2.10) TO PREVENT
THE BURNING OF RADIOACTIVE WASTE UNTIL
THE STATE OF N.M. CAN ADOPT STANDARDS
IN A PUBLIC FORUM TO REGULATE IT. AND
FURTHER, THAT ANY HEARINGS RELATED TO THE
INCINERATOR SHOULD INCLUDE THE HAZARDOUS
WASTE AND RADIOACTIVE PERMITS!
