

7/14/89

DEAR MR. MITZELFELDT:

WE URGE YOU NOT TO ACT ON THE LOS ALAMOS LABS
REQUEST FOR APPROVAL OF ITS INCINERATOR TO BURN
RADIOACTIVE AND HAZARDOUS WASTE UNTIL THE STATE
ADOPTS REGULATIONS ON SUCH INCINERATION.

WHAT IS THE BIG HURRY? ^{ISNT IT} ~~ISNT IT~~ THE FUNCTION OF EID TO
PROTECT THE CITIZENRY OF NEW MEXICO FROM ENVIRON-
MENTAL DANGER? WHY THE RUSH TO EXEMPT THIS PARTICULAR
PROJECT BEFORE WE KNOW IT IS SAFE?

SINCERELY, ROBERT + ROSE MARY STEARNS
