Sir,

I am writing for myself and
for those who are not in the
knowing to what is going
on in their very own environm-
ent.

I demand that the EID
will issue an emergency
order to prevent the burning
of radioactive waste until
the State of New Mexico can
adopt standards in a public
forum to regulate it. The
hearing relating ^{to} the insti-
tutor should include both
the hazardous waste and
radioactive ~~waste~~ permits.

Sincerely -
