Dear Mr. Anderson:

Thank you for your response of August 18, 1989 to our information request of July 25, 1989. We note that your letter does not address question number 6 in our request and does not contain the certification requested in our final paragraph. Please respond to question 6 and provide a certification of accuracy as requested by August 31, 1989.

We note that an Environmental Statement was provided for the TA 50-37 CAI (April 1973, EIS-NM-73-0795-F). This may be the document leading to confusion on existence of an "EIS" as noted in our hearing. Please provide a copy of this document by September 5, 1989.

Please respond directly to my attention on these items. If you have any questions, please call Mr. C. Kelley Crossman on my staff at 827-2923.

Sincerely,

Boyd Hamilton
