Richland, WA 99352

Dear Mr. Clark:

Thank you for your inquiry last week about the proposed modification to the Los Alamos National Laboratory RCRA permit concerning the destruction and removal efficiency verification for the Controlled Air Incinerator. Enclosed is a copy of the proposed permit modification. Also enclosed are draft copies of examples of some of our procedures for document control associated with modification of existing permits, as you requested.

If you have any further questions, please call me at (505) 827-4308.

Sincerely,

Steve Zappe, Permit Writer
