Katie

I will attempt to have the redline strikeout version of the MDA C work plan submitted before starting the fieldwork. We are working towards starting the fieldwork in August so I will attempt to submit the redline strikeout update in July.

Thanks,  
Kent

Hi Kent,

I spoke with Dave, and he said that you discussed submitting the revised Work Plan prior to the start of field work. I just wanted to clarify that that was indeed your intent; to submit the revised Work Plan to NMED (as well as your contractor) prior to field work commencing at MDA C.

If you could clarify that for me I would appreciate it.

Thanks,  
Katie
