CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Mr. Benito Garcia, Bureau Chief
 Hazardous and Radioactive Materials Bureau
 New Mexico Environment Department
 525 Camino de Los Marquez
 Santa Fe, NM 87502

Dear Mr. Garcia:

This letter is to transmit payment by the Department of Energy (DOE) and the University of California of the permit fee (\$25,000.00) requested in your November 5, 1992 letter. This fee has been assessed by the New Mexico Environment Department (NMED) to complete the review process for the Technical Area 53 surface impoundment mixed waste permit application and to prepare a permit. Also included in this payment is a Public Participation Fee of \$4,000.00.

I am also notifying you that the Los Alamos National Laboratory and DOE intend to close the northwest and northeast impoundments and are withdrawing the permit application for these two units. A closure plan for these impoundments will be submitted to NMED on or before February 12, 1993.

Please contact Mr. Jon Mack of my staff at 665-5026 if you have any questions regarding this matter.

Sincerely,

Joseph C. Vozella, Acting Chief
