

OFFICE MEMORANDUM

TO : Dean D. Meyer, Group Leader, H-1

DATE: January 16, 1963

FROM : Engineering Department

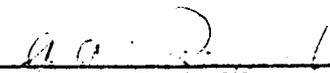

SUBJECT: BURIAL OF WASTE MATERIAL AT AREA "G" MESITA DEL BUEY

SYMBOL : ENG-4

This memorandum is written to confirm our oral agreement in regards to future methods of burial of waste material at Area "G" Mesita del Buey. The following burial procedure will be introduced as soon as Pit #3 is dug and ready for use:

- 0597
1650
7A-54
1. The combustible material is to be stacked for burial on the side of the pit adjacent to the cover dirt stock pile.
 2. The non-combustible materials, such as metal drums, dry boxes, duct work, etc., is to be stacked for burial on the opposite side of the pit.

We will discuss with the Zia Company the above methods of dumping the waste material plus the best method for covering.
