Soft Copy of Final Closure Certification Report
TA-54, Area L Treatment/Storage Tanks Partial Closure

Dear Mr. Ellvinger:

Per your request of November 8, 1994, please find enclosed a disk with a soft (electronic) copy of the final closure certification report on the Technical Area (TA)-54, Area L treatment/storage tanks partial closure, originally transmitted to Los Alamos National Laboratory (LANL)/U.S. Department of Energy, Los Alamos Area Office (DOE/LAAO) on October 27, 1994 for submittal to the New Mexico Environment Department (NMED). The file is in WordPerfect 5.2 format. Please note that the file only contains the text of the report; we do not have soft copies of the appendices. If you would like soft copies of the figures, or if you have any questions regarding this transmittal, please contact Mr. Richard Filemyr or myself at 662-1200.

Respectfully submitted,

IT CORPORATION
