Mr. Benito Garcia  
Director, Hazardous  
& Radioactive Materials Bureau  
New Mexico Environment Department

Dear Benito:

I am writing to request the opportunity to review the Department and Bureau files pertaining to the TA-54 facility at Los Alamos National Laboratory (LANL). Specifically, I wish to review the following files:

1. All Permit Applications, Modifications and extensions on TA-54;
2. Closure plans, if any, with respect to TA-54;
3. Notification of any facility closures at TA-54;
4. Incident reports and contingency plans, if any, on TA-54;
5. Enforcement Orders, if any, issued by the Bureau on TA-54; and
6. General correspondence between the New Mexico Environment Department, Bureau Of Hazardous & Radioactive Materials and LANL and/or the U.S. Department of Energy on items 1-5 for the TA-54 facility.

Thank you in advance for the effort your Bureau will make in responding to this request. I hope you will be able to expedite the request and look forward to hearing from you as to the date that the files might be available for review.

Sincerely,
