**SUBJECT: EXTENSION REQUEST FOR SUPPLEMENTAL INFORMATION (RSI)
RESPONSE FOR THE VOLUNTARY CORRECTIVE ACTION (VCA)
REPORT FOR POTENTIAL RELEASE SITE 54-007(c)**

Dear Mr. Young:

The Los Alamos National Laboratory Environmental Restoration (ER) Project is requesting a 30-day extension to respond to the RSI for the VCA Completion Report for PRS 54-007(c)-99. The ER Project Office received the RSI on December 12, 2001. This extension request is result of the need for revision to the entire text portion and two voluminous appendices of the VCA completion report for submittal with the RSI Response and the 12 days we lose over the upcoming holidays.

If you have any questions, please contact John Hopkins at (505) 667-9551 or Woody Woodworth at (505) 667-5820

Sincerely,

Julie A. Canepa, Program Manager
Environmental Restoration Project
Los Alamos National Laboratory

Sincerely,

Mat Johansen, Project Manager
Department of Energy
Los Alamos Area Office

Mr. John Young
