HWB-LANL-07-036**

Dear Messrs. Gregory and McInroy:

The New Mexico Environment Department (NMED) has received the United States Department of Energy (DOE) and the Los Alamos National Security, LLC (LANS) (collectively, the Permittees) *Investigation Work Plan for Middle Cañada del Buey Aggregate Area, Revision 1* (IWP), dated December 2007 and referenced by LA-UR-07-8316/EP2007-0788. NMED reviewed the document and issued Direction to Modify the IWP on January 15, 2008.

This letter is to notify you of a typographical error in the letter. The Permittees must investigate area of concern (AOC) 54-001(d), not AOC 51-001(d). The Permittees must submit a work plan for the investigation of AOC 54-001(d) for NMED approval by February 15, 2008. As proposed in the IWP, the Permittees must submit the investigation report for Middle Cañada del Buey Aggregate Area by January 15, 2009.
