Subject: SVE Pilot Test Preliminary Data

Mr. McInroy and Mr. Paris,

NMED received the preliminary data for the SVE pilot test at MDA G, please provide the vacuum and flow measurements taken during the shallow and deep tests. These data are needed to evaluate the SVE system. If they are available, please send them as soon as possible. Additionally, please include the vacuum and flow measurements in your final report due October 31, 2008. If you have any questions, please contact me.
