Jarrett,

It sounds like you don't see a need for a meeting. We brought up the possibility because we thought you might have additional questions or need clarification on some issue and we want to make sure you have the opportunity to do so. If you don't, NMED doesn't have anything to discuss and won't until we receive the revised documents. Since there were to be no more NODs based on the outcome of the April meeting between our management and yours, we will work with what is submitted. As we informed you in the July meeting, there was limited time this month to meet but we are available on August 23rd, 24th and 25th. Let me know if you want a meeting to discuss anything that needs clarification and I'll reserve a conference room. Thanks.

Dave

Dave and Ben

I would like to offer one additional opportunity to meet prior to our submitting the CME revisions for MDAs G, H, and L. The topic of the meeting would be the cost estimates for the various alternatives. We would be able to meet with you the week of August 22nd, if you'd like. Let me know what you think.

Thanks.
