**RE: FEE ASSESSMENT AND CLASS 1 MODIFICATION TO THE LOS
ALAMOS NATIONAL LABORATORY (LANL) HAZARDOUS WASTE
PERMIT
EPA ID #NM0890010515
HWB-LANL-15-059**

Dear Ms. Davis Lebak and Mr. Brandt:

The New Mexico Environment Department (Department) has received a *Request for Approval of
Class 1 Permit Modification to the Los Alamos National Laboratory* (PMR) requesting approval
to update figures in Permit Attachments N and G.12 and updates that are related to figure
changes in permit Attachment A, G.12 and J of the Hazardous Waste Facility Permit (Permit) for
Los Alamos National Laboratory (LANL), dated December 1, 2015, and referenced by ENV-
DO-15-0325 and LA-UR-15-28585, from the United States Department of Energy and Los
Alamos National Security, LLC, (collectively, the Permittees). The Department has reviewed the
submittal and hereby deems it administratively complete.

The modifications identified above were put into effect as requested by the Permittees under the
conditions specified in 20.4.1.900 NMAC (incorporating 40 CFR §270.42(a)(1)). NMED
recently incorporated this Class 1 modification with prior approval into the LANL Permit. An
electric version of the modifications is enclosed with this letter.

37433
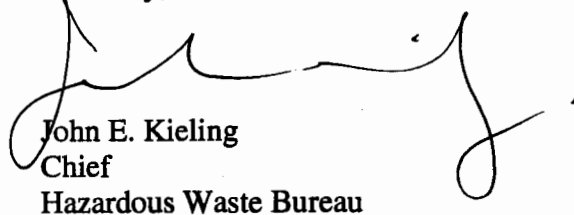

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice for the Class 1 with Prior Approval Permit Modification dated January 8, 2016, is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for State fiscal year 2016, and the Permittees transmitted payment of these fees, the fee invoice has been effectively paid under these supplemental fees.

If you have any questions regarding this correspondence, please contact Neelam Dhawan of my staff at 505-476-6042 or at neelam.dhawan@state.nm.us.

Sincerely,

John E. Kieling
Chief
Hazardous Waste Bureau
