# MEMO

**To:** File  
**From:** John Kieling  
**Subject:** Spill at Lower LA Canyon at R-9 Well  
**Date:** October 21, 1997

Harvey Decker verbally reported a spill to John Kieling at 10:20am on 10/16/97 via telephone. The spill was approximately 10 gallons of diesel fuel which sprayed from a generator at the R-9 Well drilling site. The release occurred on 10/15/97. Confirmation sampling was going to take place. The impacted area was about 5 sq ft. A written notification is to follow.
