The purpose of this email is to acknowledge receipt of your undated request for extension. Will a hard copy of the undated request be formally submitted to NMED? NMED is in the process of preparing a formal written response to your request for a time extension for submittal of the Airport Landfill IM Addendum. We anticipate the written response to be formally sent to your Office and LANL by January 21, 2003. Should you have any questions, please contact me directly.

Sincerely,

Vickie Maranville
