Dear Mr. Bearzi:

This letter provides you with the Department of Energy's written notice of transfer for Tract A-5-1 (Airport South), under section III.Y.1.a of the *Compliance Order on Consent* for Los Alamos National Laboratory. DOE intends to convey this tract of land to Los Alamos County within 120 days. Accordingly, I request that you or your designee meet with DOE and Los Alamos County representatives within 30 days of receipt of this letter, to discuss this conveyance, any remedial actions taken, and the county's intended use of the property. Enclosed for your use is a map of the tract. The size of the tract is approximately 32.3 acres.

The tract contained one consolidated Solid Waste Management Unit (73-005-99). This SWMU was determined by your office to require no further action, and was removed from the Hazardous and Solid Waste Amendments (HSWA) permit in 2003.

Please call me at 505-665-7203 if you have questions or concerns.

Sincerely,

Theodore J. Taylor
