RE: REVIEW OF RFI REPORT FOR PRSs 73-001(a-d)

Dear Mr. Nur:

I am sending to you for your review an electronic copy of the RFI Report for PRSs 73-001(a-d). I would like you to evaluate the adequacy of the proposed Subtitle D landfill cover based on the data provided in this report. NMED is concerned that the proposed cover may not be protective considering the site's contaminants and that the proposed landfill gas monitoring may not be adequate, given the impending hangar construction.

Please don't hesitate to call me at (505) 428-2542 if you need any other information (e.g., references) or require clarification.

Sincerely,

Darlene Goering
Project Leader
