RE: Meeting to Discuss Subpart X RCRA Permit Application for Melrose AFR

Dear Ms Hoditschek

Per my conversation with Mr Tom Tatkin of your office, we request a meeting to review the Subpart X RCRA Permit Application for Melrose AFR on 31 Aug 93. Please advise us of your preferred meeting time. We would like to start the meeting in the morning at approximately 0900, but we realize your busy schedule may not permit this.

Mr Bruce Oshita and Capt Greg Walters (Cannon AFB) and Mr Walker Howell and Mr Bill Buchans (Radian Corporation) will attend the meeting on behalf of the Air Force. We will present to you a brief overview of our approach to completing the application. We would like to discuss any concerns you may have so they may be incorporated into the final application to be submitted by 17 Sep 93. Our goal is to familiarize you with the application so your review of the final document will be less time consuming. We plan on providing you a copy of the draft document by 25 Aug 93 to provide you some time for review prior to the meeting.

If you have any questions, please contact Capt Greg Walters at (505) 784-4348.

Sincerely

FOR

GREGORY J. WALTERS, Capt, USAF
Deputy Chief, Environmental Management Flight

cc: Walker Howell, Radian
Bill Buchans, Radian
