RE: Submittal of Draft Permit Application for Melrose Air Force Range (MAFR)

Dear Ms Hoditchek,

Cannon AFB is pleased to present the Draft RCRA Permit Application for Melrose AFR. We still have some work to accomplish prior to the final report to ensure all the data is complete and totally accurate. Part of these corrections will depend upon our 31 Aug 93 meeting where we can gain additional feedback from your office and make adjustments accordingly.

We feel confident this draft application is significantly improved over our previous submittal. We greatly appreciate and thank you for the time you and your staff have taken to provide technical support and feedback. If you have any questions, please contact our office at (505) 784-4348. Our point of contact is Capt Greg Walters

Sincerely
