**RE: Public Notice of draft Permit for Hazardous Waste Treatment
at the Melrose Air Force Range**

Dear Ms. White:

Please make the enclosed "Resource Conservation and Recovery Act" (RCRA) draft Permit, fact sheet and public notice available to the public from August 8, 1994 through September 21, 1994. Public notification in the Clovis-News Journal and the Portales News-Tribune states that these documents will be available at the circulation desk of the Clovis-Carver Public Library. I will contact you to verify if you did in fact receive this transmittal and the above mentioned enclosures.

Since the draft Permit is only a proposal, we will make arrangements to have it returned to us at the end of the public comment period.

Your corporation in this matter will be appreciated.

Sincerely,

Barbara Hoditschek, Manager
RCRA Permits Program
Hazardous & Radioactive Materials Bureau
