**RE: Request for public comment on a draft hazardous waste treatment facility permit for the Melrose Air Force Range**

Dear Concerned Citizen:

Enclosed is a fact sheet for the public review of a draft Resource Conservation and Recovery Act, Operating Permit, proposed for issuance to the U.S. Department of the Air Force, Cannon Air Force Base (owner and operator) at the Melrose Air Force Range for the treatment of waste munitions. The attached fact sheet explains the time frame in which public comments are being accepted by the Hazardous & Radioactive Materials Bureau of the New Mexico Environment Department (NMED) and the availability of the proposed draft permit.

You are also invited to discuss any concerns about the draft permit with a NMED representative who will be in Clovis on August 17, 1994. Further details of this public meeting are described in the fact sheet. If you have questions concerning this informal meeting, please contact Tom Tatkin in Santa Fe, at 827-4308.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Hoditschek".
