Dear Mr. Garcia

This letter accompanies the fourth quarter (Oct-Dec 98) Progress Report required by Sec F, Module IV, Hazardous and Solid Waste Amendments to the Resource Conservation and Recovery Act (RCRA) Permit for Melrose Air Force Range (MAFR), New Mexico. There was no significant RCRA Corrective Action Program (RCAP) activity during this period.

No projected RCAP activities for the first quarter of 1999 (Jan-Mar 99) are planned. All future RCAP actions are contingent upon the final NMED review of the MAFR RCRA Facility Investigation Report.

If you have any questions, please contact Mr. Sanford Hutsell of my environmental staff at (505) 784-6378.

Sincerely

JAMES A. THOMAS III, Colonel, USAF
