Dear Mr. Acevedo

In order to have adequate time for a thorough review, Cannon Air Force Base is respectfully requesting a ninety (90) day extension for the submittal of the 2018 Annual Groundwater Monitoring Report for Melrose Air Force Range. This will extend the date the document is due from February 27, 2019 to May 28, 2019. The extension will allow adequate time for review, Command approval, and submission of the report.

Cannon AFB appreciates the valued working relationship established with you and your department. If you have any further comments or questions pertaining to the referenced document, please contact Sheen T. Kottkamp, [sheen.kottkamp.1@us.af.mil](mailto:sheen.kottkamp.1@us.af.mil) (505) 846-7674 or Mark Fuchs, [mark.fuchs.ctr@us.af.mil](mailto:mark.fuchs.ctr@us.af.mil) (505) 904-6743.
