Dear Mr. Pierard

Due to COVID-19, Cannon AFB has implemented a health protection measure allowing only Mission Essential Personnel access to the base. Following guidance provided by NMED, Cannon AFB is requesting concurrence to cancel the Melrose Air Force 2020 spring ground water sampling event. The annual wells normally sampled in the spring event will be sampled during the 2020 fall event along with the semiannual requirements.

Cannon AFB appreciates the valued working relationship established with you and your department. For any further comments or questions, please contact Christopher Gierke at (575) 904-6744 or at christopher.gierke@us.af.mil.

Sincerely

  
JOHN P. BOUDREAU, Colonel, USAF  
Commander
