Dear Mr. Davis:

The New Mexico Environment Department (NMED) received the National Aeronautics and Space Administration Johnson Space Center White Sands Test Facility (Permittee) *Request for Second Extension of Time for Well Reconfiguration Work Plan* dated December 6, 2019. The extension will allow additional time for further evaluation of groundwater at select White Sands Test Facility monitoring wells and selection of an appropriate replacement sampling system for the wells. NMED hereby approves the extension request. The Permittee must submit a well reconfiguration work plan to NMED no later than **December 31, 2020**, as requested.
